MASTER’S SELF-EVALUATION
Calling all MPhil students…. Help us to help you!

In mid-November you will be receiving a VERY important email into your @cam.ac.uk mailbox… this will provide you with a link for you to complete a report that will give you the opportunity to tell us how you are getting on and how your studies are progressing.

This will be your chance to tell your Department and your College how you are doing so that we can help you to progress in your studies.

Look out for your Master’s Self-Evaluation email on 13 November!
