General Board’s Education Committee, 2020-21

Approval route for new courses and course changes (taught programmes)

The information below identifies the key committees for approval of course changes and new courses, with 2020-21 deadline dates. You should contact your Education Quality and Policy Liaison Officer at the earliest opportunity to confirm the required approval points for your proposal.

All proposals for consideration should have already received approval from the following bodies:

- Faculty Board
- Degree Committee (for graduate courses)
- Council of the School (or alternative route designated by the School Council)

Proposals for new MSts, diplomas or certificates will also normally require approval from the Institute for Continuing Education, which has its own approval timescale in addition to below.

Required for all proposals which affect the College experience
